

Prior to seeing the Financial Aid Office at George T. Baker Aviation Technical College, you must:

1. Complete the FAFSA

Submit the Free Application for **2025-2026** Federal Student Aid (FAFSA) at <https://studentaid.gov>.

Be sure to include our school code: **030798**.

Create an [FSA ID](#) to access, complete and submit the FAFSA online.

Your contributors will each need their own [StudentAid.gov](#) account too.

"Contributor" refers to anyone (you, your spouse, your biological or adoptive parent, or your parent's spouse) required to provide information on your FAFSA form. All contributors must click the consent button to allow the import of 2023 IRS tax data, or the application won't be considered. All contributors must provide consent.

When requested by the Financial Aid office please bring **2023** your tax return and/or your parents' 2023 tax return for our review, if necessary.

Reminder: If you have more dependents than those listed on your tax return, answer **"YES"** to the question **"Do your dependents differ from those on your tax return?"** Selecting "YES" will open a box where you can enter the correct number of dependents, which will then update your **total family size** accordingly.

After submission, please **wait 3-5 business days** once the email is received, to ensure we have received your application.

2. Submit Required Documentation

- A copy of your High School diploma or GED (*transcript may be required*)
- Driver's License
- Social Security Card
- Resident Card (*Green card*) if non-citizen
- Certificate of Naturalization or Passport, if recently became a citizen

3. Review Your Financial Aid Offer

Once your application is processed, you will receive an email stating a financial aid offer outlining the types and amounts of aid you are eligible for.

4. Maintain Eligibility

To continue receiving aid, you must meet Satisfactory Academic Progress (SAP) standards and reapply each academic year by completing the FAFSA.
