If the problem should continue to persist, notify the school's principal. You may also contact the Bullying/Harassment Helpline, staffed by the Division of Student Services staff at the District office. They can be reached at 305-995-CARE (2273). The Helpline is staffed from 7:30 a.m. - 4:30 p.m., Monday through Friday. Students and parents may also report bullying through our Districts anonymous online bullying reporting system available on the student and parent portals. Additional information regarding bullying and harassment can be found on the Student Services [website](#).

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Code of Student Conduct

Miami-Dade County School Board approved a revised Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the Code of Student Conduct is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The Code of Student Conduct addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school

hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

Principals are authorized to take administrative action whenever a student's

off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property may constitute behavior that has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by going to the following website: <http://ehandbooks.dadeschoolgbois.net/policies/90/index.htm>. If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct manual.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

Community School Program

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 17 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities,

and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call Mr. Victor Ferrante, Executive Director at 305-817-0014.

Comprehensive Student Services Program

The Division of Student Services implements the Comprehensive Student Services Program, serving students from Pre-K to Adult. Through collaborative efforts with community agencies, students' academic, personal/social and career development needs are addressed through a team-based approach. An integrated team of uniquely trained Student Services professionals deliver direct services to students. These services focus on the elimination of social and emotional barriers that inhibit students' academic success and prepare students to be college and career ready.

The Comprehensive Student Services Program supports student achievement through effective prevention, intervention, and crisis response services. For more information, please contact Martha Z. Harris, Administrative Director, Division of Student Services, at 305-995-7338.

Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe, pervasive, and persistent. For more information, please contact CRC at (305) 995-1580 or visit <http://hrdadeschools.net/civilrights>. The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Public-Private Collaboration

Requests for private instructional personnel to collaborate with public instructional personnel in the educational setting should be directed to the principal for application of District procedures.

Safety and Security

- ***Emergency Operations Plan***

Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert [Flyer](#))
FortifyFL (flyer in Appendix D)

- ***Fire Drills (Evacuation Drills)***

Evacuation drills will take place during the school year in accordance with the National Fire Protection Association 101 Life Safety Code. When the fire alarm activates, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the

restroom must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Emergency Drills**

Six emergency drills, to include active shooter, hostage situations, bomb threats, and other potential emergencies will take place during the school year in accordance with Florida Administrative Code 6A-1.0018(15). All occupants of building where an emergency drill is held are required to participate. The first emergency drill must take place within the first 10 days of the opening of schools, whereas all remaining drills must occur at least every 45 days that school is in session. All emergency drills shall be conducted in accordance with the appropriate corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

- **Lockdown Procedures**

Lockdowns are utilized in response to an immediate threat posed to students and staff.

Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an “All Clear” announcement.

- **Threat Assessments**

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessment. Schools must establish a Threat Assessment Team (TAT) comprised on an administrator, counselor, teacher, and law enforcement officer. A threat assessment is a problem-solving approach to violence prevention that involves assessment and intervention with students who have threatened violence in some way. When a preliminary determination is made, by the school administrator or designee, that a student poses a threat of violence or physical harm to him/herself or others is known, a TAT shall be notified and shall convene to determine the best course of action. Authorized members of the TAT may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services. Threat assessment and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. All visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

School Activities/Clubs

All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies [5845 - Student Activities](#), [5830 - Student Fundraising](#) and [9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities](#).

- **Clubs**

Miami-Dade County Public Schools’ students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

- **School Club List**

- Skills USA – Provides leadership opportunities for students and is an integrated part of the vocational education process.
- Technology Student Association (TSA) – A national non-profit organization that caters to students interested in aeronautical technologies.
- National Technical Honor Society – An acknowledged leader in the recognition of student achievement, the honor society cultivates personal excellence in members and helps those whom excel in studies find success in today’s highly competitive workplace.
- Cyber Patriots – Educates high school students on the foundations of cyber security and STEM (Science, Technology, Engineering and Mathematics) fields.
- Inventeams – Offers students the opportunity to cultivate their creativity through problem-solving real world scenarios.

School Center for Special Instructions (SCSI)

School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an interim alternative educational setting to suspension from school. SCSI is designed to provide strategies and resources to students focused on learning new behavior skills. When misconduct in a class result in an assignment to SCSI, the student should be reassigned from only the class in which the misconduct occurred. Continued misconduct can result in the reassignment from all classes.

School Class Picture Process

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer’s staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation

Miami-Dade County Public Schools will transport approximately 35,000 students a day this school year, using a fleet of 999 buses on 800 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation should log on the BusPlannerWeb and view the bus assignment. The information is updated nightly, and a link is provided on the parent portal. Parents/guardians are encouraged to check the BusPlannerWeb throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education/Section 504

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at <http://ese.dadeschools.net/>.

Student Records

The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible

students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

Student Success Centers

Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) violating the Code of Student Conduct Level II and III behaviors as well as habitual Level II infractions with Region Approval.
