2024-2027

3 YEAR STRATEGIC PLAN – 2024-2027

Mission of the Institution:

The mission of George T. Baker Aviation Technical College is to provide training to persons interested in aviation maintenance, electronics, and avionics to become an integral part of industry. To accomplish this mission, the school must enhance the curriculum, utilize industry resources, encourage students to obtain the Federal Aviation Administration certificates or Federal Communications Commission license, and place students in jobs that are related to their training. The academic and technical expectations established by the instructional staff and the strong educational leadership provided by the Director and leadership team makes it possible for the school to accomplish this mission.

Vision of the Institution:

The vision for George T. Baker Aviation Technical College is to provide occupational training to persons interested in aviation maintenance, electronics, and avionics; and for all students to become program completers, possess an Airframe and Powerplant certificate or a Federal Communications Commission license, obtain employment upon completion of a program, and become technologically proficient.

Anticipated Barriers

Student-related barriers may include the following:

Students focus on continuing education rather than job placement.

Teacher-related barriers may include the following:

Conducting resume workshops and teaching interviewing skills during allotted FAA time.

Operational-related barriers may include the following:

Increasing the frequency of industry networking events. Maintaining accurate placement data.

Strategy Components

Strategy 1

Industry Collaboration to Improve the Job Placement Rate

Strategy Rationale	By increasing the school's presence at industry functions, job opportunities will be made available to students, increasing the placement rate.
Strategy Purpose	By attending industry networking events, the school will collaborate with industry partners to offer students job placement opportunities.

Anticipated Barriers

Student-related barriers may include the following:

Lack of preparation for classes.

Teacher-related barriers may include the following:

Exam material should be frequently reviewed to increase passing rate.

Operational-related barriers may include the following:

Incomplete licensure testing data reports.

Strategy Components

Strategy 1

Increase Data Chats with Teachers and Students

Strategy Rationale	Data driven instructional strategies are more effective at promoting retention. By increasing data chats with teachers and students, administrators will promote the development of concrete educational goals, facilitating academic achievement.
Strategy Purpose	To improve Federal Aviation Administration (FAA) Written Test outcomes and maintain the licensure rate.
Name and title of person responsible for monitoring this strategy	Joseph Evans, Associate Director & Janice Sosa, Assistant Director
Data that will be collected to determine effectiveness	Data is collected from School Qualifying Exam (SQ) score reports and National Norms Reports published by the FAA.
Evaluation of Progress	Data comparison of SQ and FAA Written score results, every Trimester.

CARES Act Rapid Credentialing Grant funds to be used	\$0.00
CARES Act Emergency Relief Funds - Institutional Allocation to be used	\$0.00

Strategy 3

Refresher Courses to Improve School Qualifier Exam Outcomes

Strategy Rationale	Refresher courses will enable students to review and prepare for the licensure exams, facilitating the maintenance of the licensure attainment rate.
Strategy Purpose	To enable students to review and practice essential material before test taking. This will improve test outcomes.
Name and title of person responsible for monitoring this strategy	Joseph Evans, Associate Director & Janice Sosa, Assistant Director
Data that will be collected to determine effectiveness	School Qualifying Test scores are collected from the testing department.
Evaluation of Progress	Refresher course attendance rosters.
Date Achieved/Completed	In Progress
Current Financial Resources	(1) Aviation Grant
Current Financial Amount	\$1,000.00
Projected Financial Resources	(1) Aviation Grant
Projected Financial Amount	\$1,000.00
CARES Act Rapid Credentialing Grant funds to be used	\$0.00
CARES Act Emergency Relief Funds - Institutional Allocation to be used	\$0.00

Strategy 4

Reduce Time Between School Qualifying Exam and FAA Written Exam

Strategy Rationale	Current data reveal a significant correlation between extended intervals between exams and lower performance on the FAA Written Exam. To address this, we aim to encourage students to participate in structured review sessions and minimize the time between assessments, thereby enhancing retention and improving overall exam outcomes.
Strategy Purpose	To reduce the time interval between examinations, increasing student retention of critical information for the FAA Written Exam.
Name and title of person responsible for monitoring this strategy	Joseph Evans, Associate Director & Janice Sosa, Assistant Director
Data that will be collected to determine effectiveness	School Qualifying Test scores are collected from the testing department.
Evaluation of Progress	FAA School Norms Reports & FAA Written Exam Outcomes reports.
